Inkbolt Reel 5
EVAN

Evan. It's okay for you to cry.

I was always there for you. Always. Just like I promised.

But there's something you're going to have to do now.

Live. On your own.

Stay strong. Make friends and allies, and train your powers, okay? This is the last gift I can give you. Make it count, young prince...

I know you'll grow up even stronger, Evan.

Ya gotta be kitten me!
CLASH!

Wow, Blot! From the sounds of it I'm missing a pretty intense bout, eh?

Blot?

Hey, why the silent treatment? All a sudden you're feeling like you're really tensing up!

Hmm.

Well, what a pain. He's right there, and I can't do anything to grab him. Should've brought that stupid rat.

Maybe. . .

Oh, yeah! If I can get in there, too. . .

LEAVE.
TOMA.
ALONE!!!
